

Placing and Replacing Exercises

Harp

Fingers should replace by coming out of the palm and neatly returning to the strings..
Try not to let your fingers pop up in a spidery way, whilst you are replacing.

Eleanor Turner

The slower the better!

1

relax arm muscles fully
before replacing

4

7

Also play this exercise with your left hand.

1 Replace 2 and 1 exactly together.

2

relax fully
before replacing

4

7

Also play this exercise with your right hand.
